v.  
Buckley Heating And Cooling

Case #: PC-25-02067

COMPLAINT

Buckley Heating and Cooling has been slandering my name in the workforce since I left, in good standing, leaving a months notice in 2003, to raise my family. They made a pact with my family to keep me out of the workforce and out of my field(s). Since going back to the workforce, which took a while somehow, since I've always had a good work history, it hasn't been in my field(s), and the experience was the equivalent of corporate terrorism. I also work in a customer service environment, so do to this and their continued interference, impossible to find other employment in my field(s). I was a Whistleblower at Walmart, when an assistant manager took it upon herself to do this as well; get involved in a hate crime for my husband, for which I was retaliated on, ~~she~~ using Buckley tactics. About 1 1/2 years ago, I applied for a position which Stephanie Benn was reported. I was in regard to Stephanie slandering me saying I ~~said~~ <sup>Copy Attest</sup> ~~was~~ Buckley on my resume. for which she was called out an ~~everywhere~~ <sup>Stephanie</sup> Office of the Clerk of Superior Court Counties of Providence & Bristol Providence, Rhode Island.

## RHODE ISLAND SUPERIOR COURT

## COMPLAINT

Stephanie then tried making the excuse say I wasn't task driven, for which she was called out again and the woman stated to her that everything is task driven. I applied for a District Manager position at GEM Plumbing in MA. Jeff stated something in regards to staying home to raise my family with my husband was a career ender. I applied for an AP position with the City of East Providence and he stated this is unconstitutional and unethical, this is a violation of civil rights. In January 2025, I sent my resume over to Regan Heating and Cooling and a man, from my neighbors house stated "I'm going to have to report you Jeff." I reported a 10 page summary along with statements made to the FBI. I submitted an electronic FOIA act letter to retrieve my file that Peter Nezhna an Stacey Erickson started and I Arthur submitted on November 27th, 2024.

I respectfully request compensation for slander, mental anguish, living depravity, experience loss, and having to retake my BA that was 90% complete in Accounting, which I had highest honors and was signed up for my Masters. I am being deliberately kept out of my field, not to mention where I would be in my career, ~~not that~~ was no interference with them lying and breaking the law. Negotiable law bill of \$15 million
